Dr. Allen,

Thank you very much for writing a letter of recommendation for me. You are an important part in my success as a graduating student and I couldn't have asked a better person. I've grown so much learning from you. I hope to keep in touch with you in the future. Thanks again!

Dear Both,

Mary

Pooches gracias!

OK, it's corny, but all kidding aside, your willingness to help me with my DE class made for a much better learning experience for the students, and made it exciting for me as well. Looking forward to our next dinner! Warmest Regards,

Joe
